PREPARE FOR ACTION NOW!**

Dear Greyhound Driver, Mechanic or Service Member,

Improved wages, health insurance, paid time off, and retirement security are the paramount demands of all Greyhound employees, but there are other improvements that are also needed. Please use this bargaining survey to let us know your primary concerns, and hand your completed survey back to your Contract Action Committee member. If you have any questions, please contact your CAC member or shop steward, or contact the union office.

- If you could change or improve only one thing in the current contract, what would that be?

---

---

- What is the next most important thing?
